Pay to park in Walberswick.

The original walk from the closed Hoist Covert car park no longer works.

From the car park, head NW along the river bank path and Waveney Way.

At the bridge, don't cross. Instead head left, SW, along the disused railway.

This is not part of the Waveney Way.

When Palmer's lane bends left, take the second path, right, SW.

Follow the path for 120 metres, then turn left, roughly south.

Continue south to Saint Andrew's Church.

Cross the B1387 and continue south.

The lanes soon become a footpath.

Follow the path south and later west as it gradually bends.

The path enters woodland and meanders via an old pill box.

Follow the path out of the wood, SW, across a reed bed and board walk.

Turn right, NW, along another woodland path.

Turn right, north and soon left, west. The path bends right, north.

Head to Lodge road and cross over.

Enter the meadow and follow the left-most path, west.

At trees, the path bends right, north.

At the end of the meadow, rejoin the Waveney Way and head right, NE.

Follow the B1387, east, for 170 metres.

Turn left, NW, and follow the disused railway.

In a slight dip, where many paths meet, turn right, SE, towards the village.

Follow this path, crossing lanes. The path gradually bends left, NE.

Turn right, SE, along another path.

Turn left, NE, along Leverett's Lane.

Follow this to the green.

There is a pub, toilets and tea rooms.

Head NE back to the river and car park.
